

A BENEFIT FOR THE FRESHWATER TRUST

THURSDAY, MARCH 5, 2020

5:30 – 9 PM

The Redd on Salmon Street
831 SE Salmon St, Portland, OR 97214

We're doing it again. Last year at Immerse, we brought the world of river restoration and conservation to those who support it through large-scale imagery, video and virtual reality experiences. In 2020, we're continuing our "Immerse" theme and providing an insider's look behind the scenes with augmented reality and other hands on experiences. This evening is a chance to celebrate our community of supporters and the work we're able to do for rivers you love.

Sponsor Immerse 2020

By becoming a sponsor of Immerse, you directly align your business with the largest restoration-focused nonprofit in the Pacific Northwest. Our growing regional presence means your brand will be in front of a diverse network of community leaders, young professionals and conservationists.

No matter the size or nature of your business, water plays a role. Sponsoring Immerse means you will be showcasing your commitment to protect and restore the rivers that support our environment, economy and communities. Thank you for being a part of it all.
