

Job Title: California Programs Director**Application Deadline:** Open until filled**Location:** Sacramento, CA**Position Type:** Full-time**Expected Start Date:** January 2025

Who we are: The Freshwater Trust (TFT) is a non-profit leader in watershed analysis, restoration/conservation program design, and implementation. Our team members are building tools and creating and testing new solutions that will help to create resiliency in our rivers. With a mission of preserving and restoring freshwater ecosystems, our approach is driven by science, data and results (see our [Core Values](#)).

With headquarters in Portland, OR, TFT employs a ~50 team members with programs across Oregon, Idaho, Washington, Colorado, and California. We currently have three physical offices in Portland, Ashland, OR and Sacramento, CA. Our team members range in background and skillset; teams include a philanthropy and fundraising team, communications team, science and analytics team, implementation and restoration team, legal team, finance team, and administrative and systems support.

Position Description: This position directs, oversees and supports multiple program deliverables, timelines and budgets and is responsible for compiling and communicating the necessary information and data within the organization. The California Programs Director will be responsible for oversight of complex multi-benefit surface and groundwater restoration programs and will supervise the California implementation teams. This position will serve as a key client contact for select programs and associated funding opportunities. This person will be a member of the Production Management Team, which is responsible for the oversight of production deliverables, capacity, timelines, pipeline and budgeting, as well as integrating internal data streams, and will represent California implementation programs and personnel in this context. They will help forward strategic organizational objectives and work continuously to align the California implementation team with organizational direction.

Position Responsibilities:

- Maintain a comprehensive understanding of TFT’s existing strategic plan, program goals, systems, and tools
- Direct and inform decision making with the CA programs staff to meet TFT’s objectives. Specifically:
 - Guide team dynamics to promote collaboration, knowledge sharing, clear communication, and effective teamwork;
 - Work with project managers, implementation staff, and analysts to chart and adaptively manage implementation program strategy, help the California team prioritize work focus and resourcing of implementation activities, and associated projects or programs;
 - Ensure timely, on-budget, high-impact project implementation that aligns with organizational impact and financial expectations;
 - Oversee project managers, work to retain and grow talent, conduct performance evaluations for direct reports, support task prioritization and handle personnel issues as needed;
 - Oversee implementation projects, programs and initiatives, including but not limited to: task delegation/tracking; program progress tracking and milestones; timeline management; deliverable management; procurement compliance review and sign-off; and budget management; and
 - Act as a client contact for select implementation programs.
- Work closely with the Regional Vice President - California to develop and pursue funding opportunities that build or enhance the impact of existing programs and are aligned with organizational “learning lab” strategy in target basins.
- Closely collaborate with both TFT’s Finance & Administration department and Science & Analytics team to identify opportunities for improved operations, collaboration, and integration.

Desired Skills and Qualifications:

Qualities:

- Commitment to effective program management and tracking scopes, schedules, and budget
- Quick learner and problem solver with the ability to adapt to new processes and contexts
- Relational & collaborative:
 - Excels in building trust and working with others to achieve multiple benefits
 - Management style that attracts, retains and grows talent within the Implementation team
 - Ability to form and maintain strong cross departmental and cross disciplinary relationships

Skills:

- Excellent communicator (written/verbal), facilitator and manager. Able to translate information between diverse individuals or interests with varying backgrounds. Able to summarize and synthesize project, program and personnel needs and priorities while also building understanding, buy-in and alignment of team members
- Strong people- and time-management skills with ability to be flexible and responsive to changing priorities
- Capacity to proactively juggle multiple tasks and competing priorities within a high-energy environment
- Ability to evaluate details in bigger-picture context of organization priorities
- Problem-solving mindset; ability to thrive in a fast-paced environment

Qualifications:

- Advanced degree in natural resource management or policy, water resources, natural sciences or related field
- Experience with project or program management, including direct staff supervision, project set-up and scope development, and budget oversight
- Working knowledge of freshwater ecosystems, including water quantity and quality, agricultural BMPs and conservation actions
- Strong experience and understanding of water management challenges, policies and politics in California

Seeking Perseverant, Creative and Energetic Candidates Who:

- Have a passion for the mission and values of The Freshwater Trust.
- Exhibit professionalism, confidence, intellectual curiosity, and resilience.
- Hold legal authority to work permanently in the US.

Compensation:

- Competitive salary based on experience.
- TFT believes in investing in our employees, their health, and future through our benefits offerings. Our total rewards package includes full health and dental coverage, automatic retirement employer contributions, commuter benefits and cell phone reimbursement. Because we are all in, we value getting out, and support our staff with 5 weeks of paid time off plus over 10 paid holidays per year. We also offer perks such as staff retreats, sabbatical for full-time staff after seven years, and professional development opportunities.

Application Instructions:

- Supply a Cover Letter, Resume, and a list of 3 references into a single PDF not to exceed 5MB
- Submit required information and documentation [here](#).

Interested candidates from historically underrepresented communities are strongly encouraged to apply.
